New Family Referral Incentive Program

Description and Procedures

- The New Family Referral Incentive Program awards a referring Ecole Jean-Jacques Rousseau (EJRR) family with a \$400 tuition credit for each new family that is referred to **and actually enrolls** in Ecole Jean-Jacques Rousseau (PK- 6th Grade). Maximum credit for new family referrals is \$1,450 (3 new families with one or two siblings). Referred families must be new to Ecole Jean-Jacques Rousseau. This program does not include families already attending Ecole Jean-Jacques Rousseau or siblings of current families.
- The referral program is for parents or guardians of enrolled families (PK-6th Grade) attending EJRR at the time of credit distribution.
- Referral award consideration is limited to new families enrolling in EJRR. The New Family Referral Verification form is due no later than October 1st of the school year applying.
- The tuition credit will be applied toward the last payment due for the school year. If you pay yearly, semester or quarterly, it will be credited to your account in June and you may use it to pay for your first month tuition or book fees for the next school year. If you are a parent with a graduating senior and no other child in the school, you will receive a check for your referral bonus. A bonus check will also be provided to any family who is transferred from the area due to work responsibilities. Bonus checks will be dispersed on or before July 15th. Early withdrawal from EJRR (current family or new family) will invalidate the tuition credit.
- Completed New Family Referral Incentive Program forms are to be sent to the school address (listed above).
- A signed New Family Referral Incentive Program form must be on file and must indicate a name of the new Family on the application of admission.
- The new family must be enrolled by October 1st of the school year eligible and must attend EJRR for the entire school year for the referring family to receive the tuition credit.
- If two families refer the same family, we will contact the New Family to decide which family gets the referral credit. Only one family can receive a referral tuition credit per new family.
