PARENTS’ ASSESSMENT OF PRESCHOOL READINESS

FOR PARENTS OF CHILDREN ENTERING PRESCHOOL (PREK 1 & 2 and K) FOR THE FIRST TIME

Thank you for your interest in Ecole Jean-Jacques Rousseau. We look forward to welcoming your child into our school and pledge to do our utmost to ensure his/her emotional, social, and academic development. Just because we accept children for Prek1 doesn’t mean that all children are ready for preschool.

As tuition is not refundable, and in order to ensure that all entering preschoolers are truly ready to start a full-day program, we ask that you fill out the following questionnaire and use it as a tool to assess some of the important skills your child might need before entering preschool.

If, by your observations, you feel your child has some unusual behavioral characteristics, special dietetic or medical needs, or other traits that might require special care, we would like to know this early enough to provide appropriate placement and assistance as soon as possible.

Please do not hesitate to give us whatever information you feel is important for us to know regarding your child’s readiness for pre-school.
